Dear Returning Trial Member,

On behalf of the Board of Directors, I wish everyone a Happy New Year! We might be having the coldest temperatures in a few years but before you know it, summer will be here and the pool will be open. This is my 1st year on the board and also as president. I have been a member of the pool for a number of years now. I can assure you that I want to see the pool continue to be here for all of us.

I know no one is happy when prices go up, but this board looked long and hard about the increases before deciding to raise the rates by \$20. We had no choice with the increase in operating costs. Please remember that the cost of your membership is still cheaper than going to the ocean for even a weekend. The pool can be used all summer and it takes less gas to get here. I have listed the members of the board at the end of this letter. Trust me; this is a very active board that is looking at new ways to attract members and generate income.

The Snack Bar committee, headed by Pete Foy, will run the snack shop during the summer. Remember, the Snack Bar is open 7 days a week. Pete cannot do it alone. Volunteers are needed to keep it running smoothly. Finally, the Activities Committee, chaired by Michele Uebel, will plan future teen nights, pre-teens nights, movie nights, a summer solstice party, family nights, and many other fun family events throughout the summer and beyond. We will have a calendar of events sent out prior to the start of this summer, which will help all of us plan our summers a little better. Each committee needs major support from all of us.

The Crosby Crossing Board is comprised of members in ownership group; they are not paid for their efforts to manage the pool. The Board raised 2009 dues to ensure we meet costs associated with rising property taxes, federal and state payroll taxes, and utilities. The board also cut the 2009 operating budget extensively by seeking lower pool services costs, implementing strict labor cost policies, and revising outdated insurance coverages. Thankfully, T-Mobile will start erecting the cell phone tower behind the snack bar in May and pay us \$950 in rent each month.

Remember ... you can use PayPal™ to pay membership and bond dues securely over the internet with a debit or major credit card. We hope this will make it easier for you to pay your dues and give you the option to use a credit card to pay over time. If there are any changes to your membership for the 2009 season, please contact our Treasurer, Steve Whisler, and leave a message; he will make the appropriate adjustments (410.788.3232).

As in the past, devote 4 hours of your time to our Spring clean up and maintenance sessions and we'll waive the \$75.00 maintenance fee. We are always looking for other club owners with professional contracting skills in plumbing, electrical, carpentry, landscaping, etc. The work dates will be:

**Saturday, April 18th, April 25th, & May 9th from 9am-1pm
Sunday, May 3rd from 1pm to 5 pm**

New Picture cards/2009 stickers will be available on all workdays starting April 18th.

We are looking for people who want to join or rejoin our staff in 2009. Call Jon Straughn at 410.744.0610 and leave a message. We'll have a new manager this year and give him or her the opportunity to help select the staff they lead.

Enclosed with this letter is your membership information sheet, as well as details on how to use the Pay Pal™ payment system. Please complete this form and return it with your dues payment before April 30th, 2009. Also included is the swim and dive team sign-up form. Please follow the directions for return on that form.

I look forward to seeing all of you this summer, poolside! With the continued support of our existing members and the added support of our new members, we anticipate an improved experience this summer at CCSC.

2009 Crosby Crossing Swim and Dive Team

Basic Team Information

ELIGIBILITY

All swimmers must adhere to the following two league and pool rules:

- 1. CMSL Rules require that all participants be the children of Members of the Pool and in good standing.*
- 2. CCSC Rules require that the family must be paid in full with the Pool before being allowed to register for the Swim/Dive team.*

The basic criteria for younger swimmers to join the team is the ability to swim 25 meters, one length of the pool. The basic criteria for a diver to join the team is the ability to jump off the 1 meter board.

REGISTRATION

Yearly registration is held prior to afternoon practices beginning and all participants must be registered before entering the pool. The registration fee for 2009 is the same as 2007 & 2008, \$80 per child, with discounts for families with multiple team members. The fee covers participation on both the swim and dive teams.

SWIM TEAM

The team encourages fun, participation, effort, and improvement.

The swim team competes in the Central Maryland Swim League. The league currently has 9 divisions with 6 teams in most divisions. We have 5 meets this year, with 3 home and 2 away. All meets are held on Saturday mornings beginning at 9AM and ending around noon. League Meets began on June 21st this year and will run through July 19th. Divisional championships are on the 26th. Afternoon practices (Tues - Thurs) begin after Memorial Day and morning practice (9:30AM - 5 days a week) begins on Monday, June 9th.

DIVE TEAM

DIVERS AND VOLUNTEERS NEEDED. The Dive Team had a great season in 2008 with many new divers and quite a few returning divers! Again, the dive team encourages fun, participation, effort, and improvement. The dive team competes in the Central Maryland Dive League. We typically have 6 meets per year, 3 home and 3 away. All meets are held on Tuesday and Thursday evenings beginning at 5:30PM and ending around 8:30 (depending upon the size of the teams). Meets begin near the end of June this year and will run through the end of July.

Just like swimming, afternoon practices (Tues - Thurs) begin after Memorial Day and morning practice (9:30AM - 5 days a week) begins in mid June.

PARENT VOLUNTEERS

We encourage parents to assist the teams in a number of ways; Timer, Snack Bar, Set-Up, Judges, Table Workers, etc. We rely heavily on the efforts of the parents to step up and assist in any way possible.

CONTACT

Please contact Maggie Schorr at (410) 746-7482 if you should have any questions regarding the Swim Team ... or Katie Swan at (410) 869-0267 for the Dive team. A complete team schedule will be available by the end of May.
